Shri K. L. Sethi

Owing to transfer to Eastern Region, Shri K. L. Sethi ceased to be a member of the Northern India Regional

Council, and the vacancy so caused was filled by co-opting Sq. Ldr. A. Vasudevan in his place.

The members of the Central Council belonging to a particular region, are also *ex-officio* members of the Regional Council in that region.

The Regional Councils have been carrying on their functions as laid down in Regulation 116, which include running of coaching classes for students, holding of seminars, conferences, students' evenings, group discussions, occasional lectures, etc. They are also making valuable recommendations to the Central Council from time to time for better development of the profession. Library and reading facilities are also being extended to Members and Students.

During the year, a building was acquired at Montieth Lane, Madras, for housing the Southern India Regional Council. The building is two-storeyed with a total floor area of 4,900 sq. ft. The building would enable the S.I.R.C. to conduct its activities in regard to oral coaching of students and professional development in a more satisfactory manner. The building was formally inaugurated on 4th February 1971 by Shri Ujjal Singh, the Governor of Tamil Nadu, at a brief but impressive ceremony which was attended by Government officials, prominent citizens, Central Council and Regional Council members and students of the Institute. The building of the Western India Regional Council was formally opened by Nawab Ali Yavar Jung Bahadur, the Governor of Maharashtra, on 27th May 1971. A plot of land measuring about 1200 sq. yds. in New Delhi has also been allotted to the Institute by the Central Government in the Lodi institutional area. The documents for registration have also been signed, and it is expected that the possession of the land will soon be given to the Institute whereafter construction of a building will be taken in hand. Negotiation is going on for purchase of a plot of land at Calcutta where a building is proposed to be put up for housing the offices of the Eastern India Regional Council.

CHAPTERS

Chapters of Cost Accountants are steadily growing in number. At the beginning of the year 27 Chapters stood recognised by the Council, and in course of the year 4 more Chapters have received recognition. The Chapters engage themselves in activities like organising seminars, meetings etc. for professional development, providing library facilities to members and registered students, providing facilities in certain cases for training of students and so on at the stations and in areas where these facilities cannot be easily arranged by the Regional Councils. The Chapters raise funds to undertake these activities and a portion of the funds is received in the form of grants from the Councils.

DISCIPLINARY MATTERS

No disciplinary action against any member under Section 21 of the Act has so far been called for.

OFFENCE OF COMPANIES

The Council is also happy that invocation of Section 28 of the Act for an offence committed by a company was not called for.

REGULATIONS

A number of amendments to the Cost and Works Accountants Regulations were either carried out or proposed. These amendments were published from time to time in the Journal of the Institute "The Management Accountant". In the last report, a mention was made of the proposed changes in the syllabus. Subject to approval of the Central Government, the new syllabus is proposed to be introduced from July 1974 examinations.

CONVOCATION

The Annual Convocation of the Institute for the year was delayed due to circumstances beyond control, and was held on 17th June 1971. Shri S. S. Dhavan, Governor of West Bengal, accepted the invitation of the President to be the Chief Guest on the occasion, but due to an urgent business at Delhi on that date, he could not address the Convocation. The function was presided over by Shri S. S. Kanoria, President, Federation of Indian Chambers of Commerce and Industries. He addressed the Convocation and also read out the written speech of the Governor. In this Convocation certificates were distributed to 917 students who came out successful in examinations held in January and July 1970. G. Basu Foundation Prize, V. Srinivasan Memorial Prize, J. N. Bose Prize and other usual prizes were presented to their winners. Certificates of Merits were also awarded to those who exhibited special merit in the above two terms.

ANNUAL COST CONFERENCE

The Thirteenth All India Cost Conference was held at Madras on February 5, 6 and 7, 1971, and was organised by the Southern India Regional Council of the Institute. The main theme of the Conference was "Meet the Challenge of the Future". Various aspects of the main theme were covered by six papers, presented at the Conference and were discussed in three Technical Sessions. The Conference was inaugurated by Shri T. A. Pai, Chairman, Life Insurance Corporation of India, and was attended by 475 delegates drawn from all over the country. The function was presided over by Shri D. C. Kothari, the then President, Federation of Indian Chambers of Commerce and Industries. The three Technical Sessions were chaired by eminent personalities like, Shri J. S. Kumaramangalam, Chairman, Neyveli Lignite Corporation Ltd., Shri S. S. Rangnekar, Chief Executive, Searle India Ltd. and Shri N. N. Wanchoo, Chairman, Bureau of Industrial Costs and Prices. The additional features of the Conference were a Students' Convention, Chaired by Shri K. K. Datta, Vice-President of the Institute, a conducted tour and other social and cultural events. A new feature was the Best Paper Award which was won by Shri S. S. Sankaranarayanan, Chief Accountant, Ashok Leyland Ltd.

REGIONAL CONFERENCES AND SEMINARS

A Regional Cost Conference was held in Bangalore in October 1970 and another at Calcutta on 22nd and 23rd May, 1971. In addition, Seminars were organised by Western India and Northern India Regional Councils as well as Chapters of Cost Accountants at Bhopal, Durgapur, Howrah, Kanpur and Tiruchirapalli which were inaugurated by eminent persons. Proceedings of these Conferences and Seminars have been reported in the Institute's Journal from time to time.

INTERNATIONAL CONFERENCES

The Sixth Conference of Asian and Pacific Accountants was held in August 1970 in Singapore and Kuala Lumpur, and was attended by delegates from twenty-eight accounting bodies in this Region. The Institute was represented by Shri G. K. Abhyankar as leader and Shri S. N. Ghose, Secretary. In the Plenary Session of the Conference, a decision was taken to form an organisation on continuing basis subject to approval of the majority of Councils of the respective participating bodies. If this organisation is formed, this Institute will have a representative on the permanent organisation.

JOURNAL

Further improvements in the quality of the Institute's Journal "The Management Accountant" has been made and the reading materials published therein are receiving better appreciation. From March 1971 the size and

get-up of the Journal has been changed to make it more attractive as well as convenient for handling. A section mainly for registered students has been introduced. To make the Journal more attractive and informative, the Council decided to offer better terms to contributors of articles.

COST AUDIT

As mentioned in the last Report, the Central Government issued a notification by the end of May 1970 prescribing certain "qualifications" for Chartered Accountants and making the holders of these qualifications eligible for appointments as Cost Auditors under Section 233B of the Companies Act. The critical situation caused by the issue of the notification and the setback given to the development of the profession of cost accountancy were brought to the notice of the Minister of Company Affairs through personal representations as also to the notice of the other senior Officials of Government. A representation was addressed to the Prime Minister explaining in detail the history of the case and the harm that would be caused to the profession of Cost Accountancy through the issue of the notification. Further, remedial action such as withdrawal of the notification and an immediate amendment to Section 233B of the Companies Act were suggested. A request was made for an opportunity of a visit of a small delegation from the Institute to explain the case further. Members of the Council met Members of Parliament and a representation was also addressed to the Committee on Petitions. It is understood that the latter has asked Government to review the position.

During October-November 1970 it was understood that certain amendments were proposed to be brought urgently to the Companies Act including one to Section 233B on Cost Audit. Subsequently, Parliament was dissolved in December 1970 and a new Government was constituted in March 1971. No bill has so far been introduced and it appears that the matter is not now being progressed with the urgency shown earlier. The Council is fully seized of the matter and in the light of the altered situation, steps are now being devised so as

to remedy the harm done at the earliest possible opportunity.

Amongst the proposals already submitted to Government, it has been suggested that Section 233B of the Companies Act should be so amended as to provide the Central Government with power to appoint a Cost Auditor so that the cost audit reports could be prepared by Cost Accountants without fear or favour. A further proposal has been submitted to the effect that a firm of Cost Accountants should also be made eligible for appointment as Cost Auditor.

During the year under report no fresh industries were brought within the scope of Cost Accounting (Records) Rules under Section 209(1)(d) of the Companies Act. Recently, however, the rules have been extended to tractor manufacturing industry and it is understood that action is in hand to extend the rules to other industries like vanaspathi, sugar, paper, pharmaceuticals and others.

RELATIONSHIP WITH EMPLOYEES

The Council is happy that the relationship with the employees continues to be cordial.

ACCOUNTS

The audited accounts of the Institute for the year ending 31st March 1971, together with the Auditor's Report, are annexed to this Report. The audited accounts show a deficit of Rs. 2,13,855. Measures are being taken on a continuous basis to effect further economy in the administration of the Institute.

The accounts were audited by Shri S. N. Banerjee, Chartered Accountant.

By Order of the Council,
R. NANABHOY
President,
S. N. GHOSE,

AUDITOR'S REPORT

I have audited the attached Balance Sheet of the Institute of Cost & Works Accountants of India as 31st March 1971 and the annexed Income & Expenditure for the year ended on that date.

I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit.

The Balance Sheet and the Income & Expenditure Account dealt with by the Report are in agreement with the books of account.

In my opinion, the accounts are maintained in conformity with the requirements of the Cost & Works Accountants Act and Regulations, 1959.

In my opinion and to the best of my information and according to the explanations given to me, the statements of accounts give a true and fair view :

- (i) in the case of the Balance Sheet, of the state of affairs as on 31st March 1971 ; and
- (ii) in the case of the Income & Expenditure Account, of the 'Deficit' for the year ended on that date.
